

BLUE ROCKS KILLED

Some Very Good Scores Made at the Park Yesterday.

MORE ENTRIES TO THE LIST

Attention Will Be Given to Live Targets To-Day and a Large Crowd Expected—"Scrub" Answered.

Another day of sport was enjoyed by the shot gun enthusiasts yesterday at the park. The weather was favorable, though the western breeze continued, it was not so strong as to interfere with the shooting, but rather made the conditions pleasant. There were several new shooters, among them Dan Jaeger of Butte, M. B. Brownlee and George Bartlett of Anaconda. The live bird team shoot was postponed until to-day, and therefore most of the sport to-day will be at living targets. Five extras were shot, which were a feature of the day's shooting. They will not figure in the averages.

The records made yesterday were as follows: Event No. 7, 515 added, entrance \$2, 40, 30, 50 and 10 per cent, 15 single blue rocks. Pleasant 11, Jaeger 9, Clark 8, McGowan 10, Brownlee 4, Rockefeller 9, J. Neu 11, Barbour 13, Stephens 7, Devo 6, Bickett 5, O'Connor 6, Conley 13, Dennison 8, Rogers 13, Tuttle 13, Bartlett 12. Event No. 8 was passed and No. 9 was taken up. It consisted of 20 singles, entrance \$3, 20 added. The score card is: Dennison 16, Bartlett 11, McGowan 14, Brownlee 8, Rogers 12, Pleasant 14, Tuttle 14, Rockefeller 12, Conley 14, Jaeger 12, J. Neu 11, Barbour 11, Collins 11, Clark 17, Stephens 16, Quane 13.

The next was No. 10 on the programme, the Anaconda novelty, known trap and angles, 15 singles, entrance \$2, 515 added, netting 40, 30, 20 and 10 per cent. Conley 11, Jaeger 7, Bartlett 10, Barbour 5, Neu 10, Rockefeller 8, McGowan 10, Pleasant 8, Tuttle 11, Collins 8, Brownlee 9, Dennison 11, Rogers 11, Twoby 11, Bickett 7, Clark 9, Quane 7, Stephens 8, Cowan 10.

A citizens' purse of \$15 added, entrance \$2, 15 single blue rocks, known angles, netting 40, 30, 20 and 10 per cent. The purse was divided by the usual per cents. Neu 11, Bartlett 10, Jaeger 10, Barbour 13, Conley 12, Twoby 8, Rockefeller 11, Collins 8, Pleasant 13, Brownlee 6, Tuttle 13, McGowan 13, Cowan 12, Clark 12, Stephens 10, O'Connor 9, Dennison 13, Bickett 6, Rogers 11, Thomas 7, Burnham 9.

No. 12 was the team shoot, open to three bonafide members of any regularly organized gun club. Seven teams entered. Burnham 6, Duval 6, Thomas 9, total 21. Conley 11, Tuttle 11, Dennison 12, total 34. Cowan 11, Jaeger 11, Miller 2, total 24. Clark 13, Stephens 10, Rogers 5, total 28. Pleasant 11, Barbour 13, O'Connor 6, total 30. Twoby 9, Bartlett 8, Rockefeller 7, total 24. Hansen 11, Brownlee 3, Collins 13, total 27.

In the four shoots, Nos. 7, 9, 10 and 11, which figured in the averages the records stood as follows: Putting Tuttle first, 51, and Conley, second, 50; Dennison third, 48; Rogers fourth, 47; McGowan 47; Pleasant 46; Clark 46; J. Neu, 43; Bartlett, 43; Barbour, 42; Rockefeller, 40; Jaeger, 38; Brownlee, 27. These out of a possible 65.

The following cut note from Butte was received at this office last evening: Please correct scores of first day's shoot at Anaconda, on best averages, including Nos. 2, 3, 4, 5 and 6 shoots: Wright, first, 78; J. Conley, second, 76; J. P. Cowan, third, 71.

Scrub has successfully juggled the figures and secured the result which he calls a correction by adding the records made in the team shoot event No. 6, which does not figure in determining the daily averages. It would be manifestly unjust to count the records made by shooters in team work, for it is not always possible for all the shooters in the tournament to get in a team. Scrub will therefore find that the score as given by the Standard was correct and is compiled from the results in shoots No. 1, 2, 3, 4 and 5. Event No. 1 figures in daily average, but not in the grand average, which embraces nearly all the shoots of the tournament.

In the race for the grand average Conley still leads, having 123 to Tuttle's 112 and Pleasant 110, Rogers 119, Barbour 98, McGowan 111.

HAND BALL VICTORS

WON THE LEARY-GORDON CUP

Open Challenge to the State—It is Possible That a Sharp Contest May Follow Soon—Foundry Men and Baseball.

An audience of more than 150 people witnessed the handball series, for the silver cup donated by Gordon & Leary. The games were played last evening on the court at their place, on Front street. The cup is a very pretty silver trophy and the games have created considerable excitement among the patrons of this sport. Several of the teams have been practicing for weeks to prepare for the event.

The game was called at 6 o'clock. The first teams up were James Fitzpatrick and Pat Gibbons, who played against John Durkin and Jack Neelin. The latter team won, scoring their 21 aces to their opponents 15. Neelin then retired and James McNulty entered with Durkin in the next match, and they played and beat all comers. M. Morley and Pat McHugh went down before them having but 14 when the champions went out. A team from the Tuttle foundry, made up of two boys who had played handball down east, was shut out without an ace to their credit. The pace was too swift for them.

When the championship of the city had been decided in team play, the champions divided and played against each other for the possession of the cup. Durkin won it handily.

A challenge has been issued, open to the state, for the winning team of yesterday to play on July 4. Butte has several courts and a number of crack players, so that a match game on that day is among the possibilities.

The pattern makers at the Tuttle foundry are talking up a game of baseball between the north side and the south side men.

Getting a Jury in Chicago.

From the Chicago News.

Judge Burke had some difficulty with the material that was called jury service in his court this morning.

The men did not grade high, and some of them returned strange answers to common questions. As, for example: One man who was asked what the term defendant meant, said it meant "mind your own business." Another candidate for jury service declared that "defendant" referred to the lawyer.

"If you were taken as a juror," asked the court, addressing a third man, "what would you expect to do?"

"Why, find the man guilty, of course," was the ready answer. All three men were excused.
